CHARLESTOWN
PRESERVATION
SOCIETY

The Charlestown Preservation Society has developed policy and guidelines for awarding small grants to Charlestown non-profit organizations.

The purpose of these grants is to support organizations or activities that further the CPS mission of preserving Charlestown's architectural heritage and quality of life. Up to \$250 per grant will be awarded on a competitive basis. The CPS Board of Trustees will evaluate each request and determine the winning awards.

Applicants must be Charlestown based non-profit organizations, with preference given to first-time applicants and organizations that have not been awarded a CPS grant in the prior two years. CPS reserves the right to reject any application after board discussion and vote. Applicants will be notified of the Trustees' decision after the board meeting.

Submission Deadlines:

October 1, 2009, to be considered at CPS October Board Meeting

February 2, 2010, to be considered at CPS February Board Meeting

May 4, 2010, to be considered at CPS May Board Meeting
